

MASS International Conference on 2024 Materials & Applied Science for Society

Organized by
Anand Niketan College of Science, Arts and Commerce, Warora, Maharashtra
(Run by Maharogi Sewa Samiti, Warora)
in Joint Auspices of Condensed Matter Research Society

DECEMBER 30-31, 2024 HYBRID MODE

WARORA

ADVISORY BOARD

Dr. Pankaj Koinkar

Associate Professor, Department of Optical Science
Tokushima University, Japan

Dr. Manish Kumar

Professor, School of Physical Sciences,
JNU, New Delhi

Dr. Sanjiv Moharil

Professor, RTM, Nagpur University, Nagpur

Dr. Sudhakar Bansod

Senior Scientist, IICT, Hyderabad

Dr. Pankaj R. Sagdeo

Professor, Department of Physics, IIT Indore

Dr. Atul Maldure

Principal Scientist, NEERI, Nagpur

Dr. Babasaheb Sankapal

Professor, VNIT, Nagpur

Dr. Sandeep Waghuley

Professor & Head, SGB Amravati University, Amravati

Dr. Sanjay Dhole

Senior Professor, RTM, Nagpur University, Nagpur

Dr. Sushama M. Giripunje

Associate Professor, VNIT, Nagpur

Dr. M. Ulaganathan

Associate Professor, Department of Physics,
School of Physical Sciences, Coimbatore

Dr. Chhatrasal Gayner

Dy Manager, Thornton R&D Mettler Toledo Pvt Ltd.,
Mumbai

Dr. Nagpure Indrajit Manohar

Assistant Professor, NIT, Uttarakhand

Dr. Aarti Muley

Assistant Professor, SIES College of Arts, Science &
Commerce, Mumbai University, Mumbai

Dr. Kaushal Kumar

Professor, Department of Physics Indian Institute
of Technology, Dhanbad, Jharkhand.

Dr. Yogesh Sonvane

Associate Professor, Department of Physics, SVNIT, Surat

Dr. Mangesh Lodhe

Assistant Professor, Department of Materials &
Metallurgical Engineering, MANIT, Bhopal.

Dr. Anil M Muke

Assistant Professor, AGCW, Karaikal, Puducherry.

Dr. Bhupendra Kumar Sharma

Scientist, DST, New Delhi

Dr. Ajit Kumar Katiyar

Research Professor, Yonsei University,
Seoul, South Korea.

International Conference on Materials & Applied Science for Society will be organized at Warora (Maharashtra) during December 30-31, 2024 in hybrid mode. The two-day conference will include Plenary, Keynote and Invited lectures by top experts and Oral talks and Poster presentations by participants.

The main objective of the meeting is to promote contacts between scientists working in Condensed Matter Physics, in order to share experiences, and to promote up-to date awareness among the participants about progress in their own specialties and other related fields, to gain visibility for their own research, and to facilitate interaction of young researchers with their seniors as well as peers with a goal to grow professionally.

Materials

- Materials Science and Engineering
- Nano Technology and Nano Materials
- Materials for Electronics, Optics and Photonics
- Future Biomaterials
- Materials Chemistry
- Ceramics and Composite materials
- Future Materials for Energy and Environment
- Functional and Structural Materials
- Material Processing and Manufacturing
- Environment and Green Materials

Applied Sciences

- Applied Biosciences and Bio Engineering
- Computing and Artificial Intelligence
- Electrical, Electronics and Communication Engineering
- Mechanical and Aerospace Engineering
- Energy, Environment and Earth Science
- Food Science Technology
- Applied Physical Science
- Others

For more topics visit the website.

Pre-Conference Workshop

One day national workshop on
Photoluminescence Spectroscopy and DFT

will be Organized on **29-Dec-2024**

Publication

The presented papers of the conference may
be submitted for the publication with the
following options

CRC Press
Taylor & Francis Group

Journal of
Condensed Matter

Part of **SPRINGER NATURE**

Important Dates

Abstract Submission Start Date	1st Aug, 2024
Abstract Submission End Date	30th Nov, 2024
Author's Registration Deadline	30th Nov, 2024
Accommodation Booking Upto	30th Nov, 2024
Conference Dates	30-31 Dec, 2024
